This is a “Travel like the locals” tour. The tours use public transport, i.e. regular buses, ferries and boats, but we have done the planning for you so that you can concentrate on enjoying your trip. You travel on your own - there is no guide or tour leader. On most of our tours you must change several times between different buses/ferries/boats, and it is up to you to make sure you catch your connections – truly travelling like a local! (The tours are set up so that the buses, ferries and boats connect.)

From Veiholmen (Smøla) to Kristiansund (one way)

Veiholmen – Edøy - Kristiansund

When your stay at Veiholmen is over, this trip takes you back to Kristiansund. From the narrow streets and magnificent view of Veiholmen, you take the bus back to Edøy. On the bus trip you can enjoy the unique landscape of Smøla. From Edøya you take the express boat back to Kristiansund.

If you have some time in Kristiansund there is a lot to see in this charming town on the ocean’s edge.

Kristiansund is known for the dried and salted cod – “klippfisk” (literally “cliff fish”). The city’s speciality is the dish bacalao and dishes with “klippfisk” are served in all the restaurants and most of the cafés in town. The town has a rich cultural offering and a selection of shops and cafés.

Departure from: Veiholmen

Note! The express boat may be cancelled if the weather conditions are very bad. In that case you will get a full refund of your ticket by sending your claim to FRAM customer service center at fram@mrfylke.no. They may also provide information about alternative transportation.
