

Eagle safari

About the safari

In this pdf you will find info about the tour you have booked and other general information.

The safari lasts about 2 hours and it will be runned in sheltered waters in the archipelago on the southside of Smøla. Life vests are included in the price and we will have these ready for you at the dock where the tour starts.

Meeting point

Our meeting point is [Straumen Småbåt og Gjestehavn](#), 9 km from Edøy ferry dock. You can also find the place by googling “eagle safari smøla” on Google maps.

Clothing

Bring warm clothes, preferably dress in layers if you have the opportunity. Remember, it is always colder at sea than on land, and dont forget to check the weather forecast for Smøla before you arrive. A wind jacket and good shoes are preferred.

Accomodation

If you havent booked via us we recommend Hopen Brygge (www.hopen-brygge.no) It is also possible to buy dinner there, please check their facebook for more info

Cancellation politics

You can cancel your trip before 30 days before the tour starts. The total cost will then be refunded. Tours that are cancelled less then 30 days before departure will not be refunded.

The tour will be cancelled if you dont show up 20 minutes after planned departure time. Safety is our number 1 priority, and very rare the weather can stop us from going out, if that happens,we will offer you a new trip, free of charge as soon as the weather allows us to do so. It is the guide that decides if the tour are running or not.

! Fee for cancelled trips will not be refunded.

WildPhoto Norway does not have any responsible what so ever for you`re own private belongings brought on the boat.

WELCOME!
