This is a “Travel like the locals” tour. The tours use public transport, i.e. regular buses, ferries and boats, but we have done the planning for you so that you can concentrate on enjoying your trip. You travel on your own - there is no guide or tour leader. On most of our tours you must change several times between different buses/ferries/boats, and it is up to you to make sure you catch your connections – truly travelling like a local! (The tours are set up so that the buses, ferries and boats connect.)

Round trip Molde - the Atlantic Road

Molde – the Atlantic Road – Molde

This trip takes you from Molde to what is often described as the world’s most beautiful road!

With its location at the edge of the mighty ocean, the Atlantic Road is as beautiful in sunshine and calm weather as in full storm and rain.

The Atlantic Road connects Averøy with the mainland via a series of small islands and islets spanned by a total of eight bridges over 8274 meters. The road is a national tourist route.

On this round trip, the bus stops at Eldhusøya, where you can take a walk on the suspended walkway around the islet. The walkway consists of latticework (“grids”) “floating” above the terrain, and is suitable for or anyone.

The service building at Eldhusøya, with its distinct architecture that falls into the terrain, has a café and toilets. (Open Saturdays and Sundays in the spring and every day 1st June – 31st August.)

The area also offers a magnificent landscape, a rich bird life and great fishing opportunities.

Note that for some of the departures you have optional return times, allowing for a longer stop at the Atlantic Road. (See the timetable below.)

Departure from: Molde bus terminal, track 7

Bus stop at the Atlantic Road: The bus from Molde goes via Eide to the Atlantic Road and stops next to the service building at Eldhusøya. For the return, go towards the main road and stand by the “entrance” from the road to the area by the service building. (The “entrance” in the direction of the bridge.) When you see the bus, lift your hand as a sign for the bus to stop. The bus will either stop at the side of the road or – if possible – exit and stop by the service building. The bus then follows the same route back to Molde.
